

## **UCLUELET'S RUGGED BEAUTY**

December 22, 2007

In Ucluelet, on the western shore of spectacular mid-Vancouver Island – they literally live life “on the edge,” as shown by this historic coastline lighthouse. Ride some of the best waves you’ll get anywhere on the West Coast, hike or bike through miles of magnificently scenic trails through west coast rain forest, or get on the water: kayak, fish or watch the migration of humpback whales.
