

# OPEN HOUSE

## YOU'RE INVITED

Ucluelet Fire Rescue invites the public to attend our annual open house. The firehall and emergency apparatuses will be open for tours. There will be an auto-extrication demo, fire extinguisher demos, BBQing, fire safety and presentation talks, and a chance for you to talk to Ucluelet's finest. There might even be some gear for you to try on!

Were you thinking of volunteering with Ucluelet Fire Rescue? The open house is a great chance to learn more.
