

# Fire Truck For Sale - Ucluelet

The District of Ucluelet is selling their formerly known fire truck 'Engine #2' for \$8,000. This 1992 Volvo / GMC cab-over seats 6 passengers and has a Caterpillar 250 hp engine. The fire truck is still like new with 21,603 kms and an aluminium body by Hub Fire Engines. The pump is a Hale 1050 (with current pump test) with an 800-gallon fibreglass booster tank and 8-gallon foam tank, along with a Foam Pro 2001 system (2, 1.5" pre-connects and 1, 2.5" discharge on the left-hand side).
