There is also a traffic advisory hotline, updated daily once we start work, which will provide detailed and up-to-date information to help plan your trip. The number is: **1 855 451-7152**.

Information will also be posted on electronic message boards at either ends of the project and along the Hwy 4 corridor between the west coast and Hwy 19 as well as information posted to **DriveBC.ca**.

For your own safety, it is imperative you respect all construction signage, and stay well clear of any heavy equipment.

We apologize for any inconveniences as a result of this project, but hope you understand that we are working towards a safer highway for all of us.

Further project information is available on the Ministry's project website at www.gov.bc.ca/highway4kennedyhill. Should you have any questions or concerns, you can leave a message on the traffic advisory hotline at 1 855 451-7152.

Sincerely,

Emil Anderson Construction (EAC) Inc.
