Dear Mayor Irving:

I would like to thank you and your colleagues for meeting with me at the 2014 Union of British Columbia Municipalities (UBCM) convention to discuss current agricultural issues in your area. Personal meetings are an important part of forging a good working relationship between the Ministry of Agriculture and community leaders. It is also inspiring to see the passion and dedication local governments have for making their communities a better place to live.

British Columbia produces over 200 agriculture commodities, over 100 different seafood species and is home to over 1,400 processing businesses making our province one of the most diverse food producing regions in North America. Producers in BC need our continued support, not only for the fresh and healthy foods they provide us but because the agrifoods industry is a job-creator and an integral part of B.C.'s economy. The Province is proud of our agrifoods sector and we will continue to work towards building an innovative, adaptive and globally competitive agrifoods sector for the benefit of all British Columbians.

Again, thank you for participating in this year's convention. Please accept my best wishes for another successful year.

Sincerely,

Norm Letnick
Minister
