## **Honourable Stephanie Cadieux**

### **Ministry of Children & Family Development**

**Date:** September 25, 2014 @ 4:00 PM

**Location:** Alpine Room D

---

#### **PURPOSE**

Joint meeting with Honourable Stephane Cadieux, Minister of Children & Family Development and District of Ucluelet to address

- 1) Child Obesity
- 2) After School Programs 3pm-5pm
- 3) Children Subsidies
- 4) Advocate against closing the Female Youth Prison

#### **BACKGROUND**

The District of Ucluelet is very interested in participating in the Ministry's new Early Years Centre program. Given our existing Hub network, coalition successes and daycare location, we provide an excellent model for the Ministry to build on our successes, and to assist with addressing challenges.

One of our continued challenges is to address after school child care and children's obesity. We feel that working together with the Ministry of Education and Ministry of Children & Family Development we will be able to find programs which will address these situations successfully.

#### **CONCLUSION**

The District of Ucluelet is looking for the Minister to encourage joint ministry funding to address after school programming and children's obesity.

We would also like to invite the Minister and staff to visit Ucluelet so that we may share our successes with our Hub network.
