WOLF ADVISORY

Due to ongoing reports of wolf activity in town, the BC Conservation Service has requested the District of Ucluelet issue a wolf advisory. Conservation is closely monitoring the situation and are actively pursuing solutions.

Please note the following:

- Always keep children nearby and in sight
- Keep all dogs on a leash
- If a wolf approaches, raise your arms and wave them in the air to make yourself appear larger, and throw sticks or rocks at the wolf to scare it away
- Use noise makers, scream or yell to scare the wolf away
- If the wolf displays aggressive behaviour, back away slowly and do not turn your back on the wolf

To report any conflicts with wildlife call:
