

# Unidirectional Flushing Program

## Week One Summary

Week one of flushing is now complete, and Public Works would like to thank you all for your patience and understanding while they moved forward with this process. Crews successfully flushed and completed ZONE's 0, 1, 2 & 3.

Crews have stopped work for today and **will not** be flushing over the weekend.

Work will resume on **Monday, April 24<sup>th</sup>** at approximately 12:30 pm in **ZONE 4**. Streets affected include: Athlone Road, Norah Road, Rainforest Drive, Rainforest Lane, Marine Drive (Black Rock to Matterson Drive).

Again, we wish to remind everyone that while your street is being flushed please do not use your water or flush your toilet.

Once your street is complete, we advise to fully open cold water taps outside your home for 15 minutes until it is clear.

*If you have any questions or concerns, please contact Warren Cannon at (250) 726-5507, Steve Lang at 250-266-0598 or Public Works at 250-726-8587.*
