Re: Mainstreet & Highway Directional Signage

Attention: Mayor & Council

The purpose of this letter is to formally present to the Town Council a request for Directional Signage be permitted for the convenience of travellers visiting Ucluelet that are staying or intending to use the services at the Black Rock Oceanfront Resort.

Over the past three years I have tracked and noticed a common complaint among many of our visitors are most common with finding the Black Rock Oceanfront Resort & Spa has become increasingly frustrating as their complaint.

The guests common claim among the majority being that GPS and current directional signage is not working or nonexistent. In order to eliminate these complaints and frustrations, I would like to request permission for the following:

- **A directional sign be permitted at the intersections of Peninsula & Matterson** (with an additional sign at the intersection of Matterson & Marine Drive)
- **An additional sign at the intersection of Peninsula & Norah** (with another sign at the intersection of Rainforest & Norah and then Rainforest & Marine Drive) this being the most direct route.

I would like to be added to the Town Councils meeting agenda in order to present my reasoning during the next meeting on January 14, 2010.

Sincerely yours,

A handwritten signature in blue ink that reads "Ted Bailey".

Ted Bailey
