Council has been pushing hard for the government to reconsider shutting down the Ucluelet Centre; encourages everyone to write to the Minister or sign one of the petitions. The closure will greatly affect our community; both with the loss of families and security for marine traffic. This centre is a self-sustained communication centre in the event of an emergency.

I-4 Telecommunications Infrastructure Importance

There is no more capacity for internet service on the coast, Tofino and Ucluelet cannot sign on any more customers. Our economy requires service; council has recommended fiber optics be strung along Hwy #4 to the junction. #### **CALL TO ORDER:**

Mayor Irving called the meeting to order at 7:18 p.m.

#### **PUBLIC HEARING PROCEDURE:**

Mayor Irving explained that the purpose of a Public Hearing is to hear representations from persons who deem their interest in property affected by the bylaws, as outlined in the Notices of the Public Hearing. Mayor Irving advised that a copy of the Rules Governing Public Hearings (text below) is included in the agenda package and advised that Council will not make any decisions on any matter at the Public Hearing, and issues will not be debated.

#### Rules Governing Public Hearings

- a) As provided for in the *Local Government Act*, the Council is required to hold a Public Hearing before adopting an Official Community Plan Bylaw, Zoning Bylaw or amendments thereto.
- b) At a Public Hearing, all persons who deem their interest in property affected by the proposed bylaw shall be afforded an opportunity to be heard on matters contained in the bylaw.
- c) The Council may give such effect as it deems fit to representations made at a Public Hearing, in the bylaw as adopted.
- d) At a Public Hearing the Council is under no obligation to enter into a debate on any issue. The purpose of a hearing is to hear representations, which will later be considered by the Council in a regular meeting.

#### **BYLAWS:**

##### **1. Zoning Amendment Bylaw No. 1152, 2012**

Andrew Yeates, CAO, read Zoning Amendment Bylaw No. 1152, 2012.

##### **2. Written Submissions:**

Andrew Yeates, CAO read written submissions.

- Jacqueline Chamberland

Mayor Irving asked a first time if there are any representations from the audience regarding Bylaw No. 1152, 2012.

- ❖ Patricia Oye-1433 Port Albion Road – council needs to review the original intention of the development.
- ❖ Alfred Heringa-351 Pass of Melfort Place- Wild Pacific Cove developer, read a time line of the development and floor area ratio; stated he was not notified of the .2 floor area ratio being adopted by the District after the building scheme floor area ratio of .6 had already been placed on title; agreed with strata lot owners on Bylaw 1151 floor area ratio.
- ❖ John Taylor & Shelia Holmes – Lot 5 & 6, Pass of Melfort Place- asked council to reconsider Bylaw 1151 floor area ratio, noted that previous bylaw had been accepted by the strata lot owners.

Mayor Irving asked a second time if there are any representations from the audience regarding Bylaw No. 1152, 2012.

- ❖ Tina Ferguson – 962 Peninsula Road – residents agreed to family homes being built in the development, homes built in proportion to lot size, no sense to allow above a .35 floor area ratio.
- ❖ Rob Faulkner – 966 Peninsula Road – read citation from previous planner’s letter; misunderstanding doesn’t nullify what is in the zoning bylaw, .2 floor area ratio is too small and a .6 floor area ratio is too big.
- ❖ Patricia Oye – 1433 Port Albion Road- embarrassed by the electorate; not receiving response from district office; had to compile research via Westerly News; community charter and bylaws not being followed.

- ❖ John Taylor & Shelia Holmes – Lot 5 & 6, Pass of Melfort Place – a floor area ratio of .35 in R4 zone would be difficult for a home to include a family occupation or suite in the house.
- ❖ Kelly Faulkner – 966 Peninsula – noted incorrect FAR of 0.6 in bylaw referred to in written submission; additional business and families are welcomed.
- ❖ Mark Garand – 325 Pass of Melfort Place– hope property owners surrounding the development do not have sway with council. Home is legally built under a .5 floor area ratio; this is not about a corporation it's about people and finding a reasonable solution.
- ❖ Ellen Crowe-Swords- 980 Peninsula Road- two wrongs don't make a right; deal with the big picture, not the self interest; think about what is best for Ucluelet.
- ❖ Alfred Heringa – 351 Pass of Melfort Place- the zone entitles the use of the property and for larger homes being built on smaller lots, it is not up to the surrounding neighbours. Do not want residents upset with each other, trying to make area livable and complete the development.
- ❖ Rob Ferguson -962 Peninsula Road – put forth that council places a floor area ration of .35, looks good on R-1, allows for yards and parking;

Mayor Irving asked a final time if there are any representations from the audience regarding Bylaw No. 1152, 2012.

- ❖ Jennifer Kid – 970 Peninsula – work together and compromise; told strata was for small homes.

Mayor Irving terminated the Public Hearing for the Zoning Amendment Bylaw No. 1152, 2012. Mayor Irving explained council cannot receive any further verbal or written submissions after this point.

Attention: Mayor Bill Irving

Dear Mayor Irving:

**Re: Yuutu?it?ath Lands at the Junction of Highway 4 and the Tofino-Ucluelet Highway**

As discussed at the Community to Community session this week, the Yuutu?it?ath Government has requested the province's consideration of adding the Wya Welcome Centre parcel, located adjacent to the junction of the Highway 4 and the Tofino-Ucluelet Highway, as part of the Maa-nulth Treaty Settlement Lands resulting from the Treaty Process.

An issue has been raised regarding the proximity of the subject lands to the District of Ucluelet's water wells. These wells provide water to residents in Ucluelet as well as to our citizens at Hitacu.

We are interested in working with the District of Ucluelet to ensure that any potential development will not in any way negatively impact this water site, and request a letter from the District indicating that they would be willing to work with the Yuutu?it?ath Government, the Vancouver Island Health Authority, and the Alberni-Clayoquot Regional District to ensure that all parties are working to maintain the highest standards for land uses in proximity to this water supply.

Therefore, we respectfully request an audience at the next Mayor and Council meeting to discuss receiving a letter of support for our application, we request this meeting to be an in camera discussion.

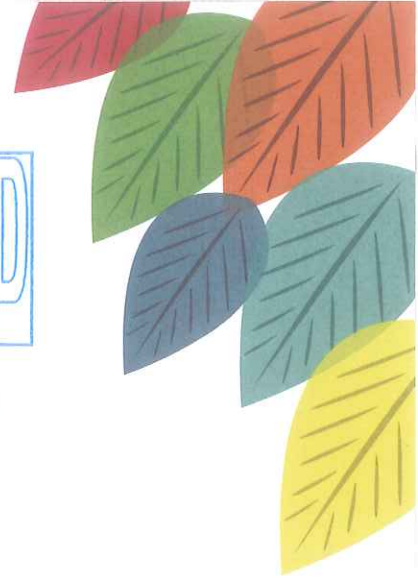

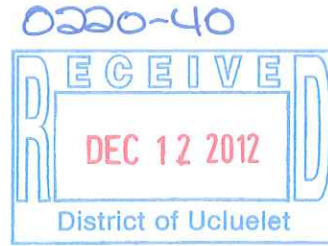

In addition we look forward to meeting with you in the near future to provide information on our new Draft Official Community Plan and discuss shared concerns that may be addressed within the District's Official Community Plan.

We appreciate the opportunity to work with the District of Ucluelet on this matter, and look forward to hearing from you soon.

Sincerely,

Charles McCarthy,  
President

Dear Mr. Yeates,

**Nominate your everyday hero for a 2013 Courage To Come Back award!**

Each year, **The Courage To Come Back Awards** honour British Columbians who overcome seemingly-insurmountable challenges then help others. They are people in our lives that inspire us with their courage, strength and drive to give back to their community.

They are our role models. People like Kamal, physically, emotionally, sexually abused by her husband for over a decade and is now a published author, and victims advocate. Like Sandra, hospitalized multiple times after being diagnosed with paranoid schizophrenia; she has written a book chronicling her experiences and is an award-winning artist. Like motivational speaker Michael, who was in a coma for seven months, his family was told he would never speak, eat or walk independently following a severe automobile accident.

**Please help us find six more inspiring British Columbians by displaying the enclosed Nominations Poster and Brochure.**

There are six award categories:

- |                         |                  |               |
|-------------------------|------------------|---------------|
| Addiction               | Medical          | Mental Health |
| Physical Rehabilitation | Social Adversity | Youth         |

The winners' stories are told in The Province newspaper, by News1130 radio and in a televised interview with Deborra Hope for Global BC's News. Then, on Thursday, April 25, 2013, they will be honoured at the Courage To Come Back Awards gala before friends, families and more than 1,000 special guests. It will be an unforgettable night honouring the winners and those who support them.

**The deadline for nominations is February 11, 2013.** Visit [couragetocomeback.ca](http://couragetocomeback.ca) for additional information and see [theprovince.com/courage](http://theprovince.com/courage) to read past recipient stories. Additional nomination forms are available at any Scotiabank branch in BC.

Thank you for supporting The Courage To Come Back Awards.

Sincerely,

Lorne Segal, Chair
