

For Immediate Release Friday, April 17, 2020

COVID-19 Update # 9

The District want to express our warm thanks to our residents for their continued efforts to flatten the curve by following COVID-19 recommendations.

- We may be physically apart, but we have never been more together. This shows in our collective efforts to slow the spread of COVID-19 and help our frontline workers who are working so hard for all of us. Mayor Noël's message to residents underscores the importance of our actions, please take a moment to read how our being "Apart. Together." is making a difference!
- Some District of Ucluelet construction projects currently halted by COVID-19 will resume in the coming weeks. District contractors have adopted comprehensive COVID-19 protocols and construction sites are required to follow <u>Provincial recommendations</u> on physical distancing and preventive measures to ensure their worker's and our community's safety.
- Our Recreation Department wants to help you stay fit through their recently launched <u>Ukee Recreation Recreated</u> online platform which is full of fitness tips, fun online resources and weekly physical and wellbeing challenges. Next week's theme is mindfulness. Go to the new <u>Recreation webpage</u> to see the weekly news letter and our fantastic local instructors doing their thing to help keep you engaged and active. Like and follow <u>Ukee Recreation Recreated</u> to get updates and make sure to check out the Rec Department's new Instagram page @UkeeRec.

Thank you Ucluetians. Stay strong, be safe and be kind.

For more information please visit https://ucluelet.ca or contact the District of Ucluelet at 250-726-7744.

Residents are encouraged to stay up to date by <u>signing up for the District's UkeeMail</u> at Ucluelet.ca and by regularly visiting these Federal and Provincial links:
