COVID-19 Update # 18

Community Wellness: West Coast Services and Resources

This is a good time to remind residents of all the community wellness resources that we have available locally to help ourselves and our neighbours. Check out the informative compilation of [West Coast Services and Resources](#) put together by our local health care partners, West Coast Community Resources Society, Alberni Clayoquot Health Network, Coastal Family Resource Coalition, Pacific Rim Hospice Society and the Rural and Remote Division of Family Practice Long Beach.

Updated Tourism Ucluelet COVID-19 Toolkit for Visitors

In partnership with community stakeholders, Tourism Ucluelet has revised the [Travelling to Ucluelet During COVID-19](#) document. This excellent toolkit outlines the most recent information about what local businesses are doing to protect visitors and what visitors can do to protect residents.

The District and Tourism Ucluelet ask that accommodation and activity providers help keep our community safe by sharing the toolkit with clients at the time of booking.

We encourage you to stay up to date by [signing up for the District's UkeeMail](#) and by regularly visiting these Federal and Provincial links:

[Government of Canada - Coronavirus \(COVID-19\) Outbreak Update](#)

[Government of British Columbia COVID-19 Provincial Support and Information](#)

[BC Centre for Disease Control's COVID-19 Data](#)

Thank you Ucluetians. Stay strong, be safe and be kind.
