COVID-19 Update # 33

BC's Restart Plan

On May 25, 2021, the BC Government launched BC's Restart Plan. BC is now in the first step of this four-step plan. Recreational travel between travel regions is not permitted during this stage. In addition the following now apply:

- Maximum of five visitors or one household allowed for indoor personal gatherings
- Maximum of 10 people for outdoor personal gatherings
- Maximum of 50 people for seated outdoor organized gatherings with safety protocols; examples include wedding ceremonies and funerals
- Recreational travel only **within** travel region (travel restrictions between regions extended); hotels and other accommodation providers are encouraged to welcome guests from inside their region
- Indoor and outdoor dining for up to six people with safety protocols
- Resume outdoor sports (games) with **no** spectators, and low-intensity fitness with safety protocols
- Start gradual return to workplace
- Return of indoor in-person faith-based gatherings (reduced capacity) based on consultation with public health

Steps two, three and four of the plan involve incremental easing of the health restrictions. Please visit the [BC Government's website](#) for more information.

Local First Nation communities remain closed to non-residents and the general public. Please consult the respective First Nation's websites for details.
