Work on District of Ucluelet Property:

Will your project require the encroachment or use of public property, such as a street or lane, drainage ditch, right of way (including driveways, sidewalks, boulevards, bike lanes, parks trails or service easements), for any purpose, including but not limited to driveway construction, site servicing, offloading, staging, storing materials or fencing – to support the construction during the duration of the project?

- Yes No

If yes, a Permit to Work in Road Allowance, Municipal ROW or Municipal Property form may be required. Please contact Public Works at 250-726-7744 before submitting this Building Permit.

Notice of Personal Information Collection: The personal information on this form is being collected for the purpose of processing your building application in accordance with section 26(c) of the Freedom of Information and Protection of Privacy Act. For more information about how this information will be used, please contact the Manager of Corporate Services at 250-726-7744.

The undersigned owner/authorized agent of the owner makes an application as specified herein and declares that the information submitted in support of the application is true and correct in all respects.
