Re: Hwy 4 Kennedy Hill Safety Improvements Traffic Interruptions Update

Dear Highway 4 Travelers,

Attached is a revised copy of the September 11th, 2020 to September 27th, 2020 closure schedule. You can find a copy of the schedule on our *EAC Hwy 4 Kennedy Hill Project Updates* Facebook page at facebook.com/eac.bc.ca.kennedy.hill/

Public and employee health and safety are always the highest priority from Emil Anderson Construction, and this focus is heightened during the current COVID-19 crisis. EAC and its employees and subcontractors are following the advice and direction from all levels of our government as minimum standards to prevent spread of the virus on our job site and at home. Some measures taken on the site include continual use of the BC COVID-19 Symptom Self-Assessment Tool <https://covid19.thrive.health/>, social distancing, hand and hard surface hygiene and no exceptions to isolation if showing symptoms of illness.

There is also a traffic advisory hotline which will provide detailed and up-to-date information to help plan your trip. The number is: **1-855-451-7152**.

Information will also be posted on electronic message boards at either ends of the project and along the Hwy 4 corridor between the west coast and Hwy 19 as well as information posted to [DriveBC.ca](https://drivebc.ca). For your own safety, it is imperative you respect all construction signage, and stay well clear of any equipment.

We apologize for any inconveniences as a result of this project, but hope you understand that we are working towards a safer highway for all of us.

Further project information is available on the Ministry's project website at gov.bc.ca/highway4kennedyhill. Should you have any questions or concerns, you can leave a message on the traffic advisory hotline at 1 855 451-7152.

Sincerely,

EMIL ANDERSON CONSTRUCTION (EAC) INC.
