Heading	Description
<b>Strategic Direction</b>	<p><i>This document presents as a typical annual tactical plan designed in an optimistic view, with the intent to move forward should there be an ability to function in some capacity of normalcy in 2021. Should COVID-19 restrict the ability to execute our plans for in-person workshops, meetings, roaming staff, marketing events or promoting the community as a ideal location for in-person small to medium sized conferences (for 2022), Tourism Ucluelet will adapt accordingly. We will ensure that the organization pivots to continue support for on-line stakeholder programs allowing for continued development and divest funds through other channels to maintain market share.</i></p> <p><b>Vision</b> - Ucluelet shares our environment, history, culture, and heritage with visitors, while enhancing the lives of community members.  Our community’s Official Community Plan envisions Ucluelet as: <i>an attractive, safe, healthy, friendly, vibrant, ecologically sound maritime community which is the all-season resort destination of choice for visitors.</i></p> <p><b>Mission</b> - A visitor-tax funded destination marketing organization (DMO) that collectively builds a strong, genuine brand through focused marketing and sales efforts and industry collaborations.</p> <p><i>Tourism Ucluelet has 3 goals:</i></p> <ul style="list-style-type: none"> <li>• Marketing &amp; Promotional Activities</li> <li>• Visitor Services</li> <li>• Stakeholder Engagement &amp; Organizational Governance</li> </ul> <p><b>Marketing &amp; Promotional Activities</b>  Marketing initiatives will focus on increasing length of stay and visitor yield while encouraging return visitation, with a focus on shoulder and off-season.</p> <p><i>Objectives:</i></p> <ul style="list-style-type: none"> <li>• Increase in MRDT revenues by 3% annually</li> <li>• Increase occupancy rate in non-peak seasons (September 30 – June 14) as measured by participating accommodations</li> <li>• Increase average length of stay by one day, as measured by participating accommodations</li> <li>• Increase online and social engagement across all monitored channels by 5%.</li> </ul> <p><b>Visitor Services</b>  Visitor service delivery will focus on increasing visitor touchpoints and encouraging</p>

	<p>increased length of stay, visitor yield and satisfaction.</p> <p><i>Objectives:</i></p> <ul style="list-style-type: none"> <li>• Continue to cross support regional partnerships with Tofino and Parks Canada at Junction and downtown Visitor Centres</li> <li>• Generate revenue/pursue grants to ensure cost-recovery for visitor services by 2021</li> <li>• Grow local and regional stakeholder represented at visitor centres</li> <li>• Increase the number of visitor parties by 3% annually</li> </ul> <p><b>Stakeholder Engagement &amp; Organizational Governance</b></p> <p>As a Destination Management Organization, maintain strong stakeholder engagement while effectively governing the organization.</p> <p><i>Objectives:</i></p> <ul style="list-style-type: none"> <li>• Leverage funds at a minimum of 5% of the MRDT collected over 5 years (~\$20,000 annually)</li> <li>• Succession planning documentation completed</li> <li>• Annual Stakeholder Survey score of 3.5/5</li> <li>• Increased stakeholder engagement in marketing initiatives and corporate events</li> <li>• Increased collaboration on development of Resort Development Strategy with District of Ucluelet</li> </ul> <p>Develop Tourism Ucluelet policy statements on key issues affecting local tourism industry</p>
<p><b>Key Learnings and Conclusions</b></p>	<p>Prior to March 2020, Tourism Ucluelet was preparing to hire and implement out new purpose statement along with a brand refresh that was more reflective of our new direction.</p> <p><i>Key Learnings:</i></p> <p>Tourism Ucluelet has established audiences who have fond memories of visiting or living in the area. When Tourism Ucluelet posted asking people to not visit early on in COVID, responses through social channels were positive and protective of the area. People asking others not to visit Ucluelet and keep it safe. These comments revealed a sense of preservation for the area and longing to return.</p> <p>Ucluelet is fortunate to be positioned as a desired destination in the province. Once Phase 3 began, Ucluelet filled up quickly which offered a prosperous summer and fall. We recognize the impact this has had on our businesses and families that rely on tourism to survive, this was not taken for granted as we could have been much worse off.</p> <p>2020 and 2021 will remain unpredictable when COVID remains in the forefront of everyone’s lives. Ucluelet will continue to monitor reports as adapt our fall and winter marketing campaigns in accordance with the direction for our Board, District and PHO’s office.</p> <p><i>Outcomes</i></p> <p>January to March:</p> <ul style="list-style-type: none"> <li>• Completed the stress-free zone campaign. This had gained traction for Tourism</li> </ul>

	<p>Ucluelet and has become a recognizable billboard campaign that started in Nanoose Bay on Vancouver Island for 3 years ago which has now diversified into promotional items and merchandise being sold at the Ucluelet Pacific Rim Visitor Centre, located at the junction between Ucluelet and Tofino.</p> <p>April – October:</p> <ul style="list-style-type: none"> <li>• All paid media was turned off, projects stopped, and only organic inspiration images and videos were posted to maintain market awareness and intrigue for when travel could resume.</li> <li>• The Visitor centre was reduced in staff size and adapted to manage visitors within the building. The seasonal visitor centre never opened for 2020, questioning the value of a second seasonal centre in town. Posing the question of what visitor services could look like in 2021.</li> </ul> <p>October – December:</p> <ul style="list-style-type: none"> <li>• Hired new agency and conducted our strategic planning session teasing out priorities for the remainder of 2020 and the preparatory work of shifting messaging for 2021.</li> <li>• Paid ads for storm watching resumed at the end of October enticing snowbirds to visit.</li> </ul>
<b>Overall Goals and Objectives</b>	<p>Tourism Ucluelet continues to follow the 5-year plan set out during the renewal process, but this past fall the DMO undertook a multi-day strategic planning session to better understand how the organization could serve its function in a more authentic and responsible manner. The goal was to develop a new purpose statement with pillars that would align Tourism Ucluelet’s mandate while remaining respectful to our community, stakeholders and continuing to promote an authentic experience to consumers who identify with the community values.</p> <p>The new strategy statement is, “By 2023 Tourism Ucluelet will lead Ucluelet's vibrant and sustainable tourism industry through industry collaboration, responsible and authentic promotion, visitor and community education, support for community priorities and accountability in our operations.”</p> <p>Tourism Ucluelet will make the shift from destination awareness marketing to campaigns that resonate with like-minded consumers who will travel to the destination and identify with the values of Ucluelet through inspiring stories, messaging and images.</p> <p>By making these changes, the long-term goal is to ensure our community strives for balance, our surroundings remain as pristine as possible, while still welcoming growth and development.</p> <p>Tourism Ucluelet defined three pillars for success to achieve these goals:</p> <ol style="list-style-type: none"> <li>1. Foundation of Digital Success Seamless connect with consumers and expand the visibility of Ucluelet’s businesses and experiences while demonstrating an ROI.</li> <li>2. Innovate on Responsible and Authentic Promotion Embody Ucluelet’s unique spirit and charm through innovative promotional campaigns that emphasize authentic and responsible experiences</li> <li>3. Visitor and Community Education</li> </ol>

	<ul style="list-style-type: none"> <li>• Tourism Ucluelet will also move forward to create a network of local and guest advocates who will amplify the Ucluelet message.</li> </ul>
<b>Strategies</b>	<p>To achieve these goals, a firm was hired in early Q4 to start developing a sustainable brand and communications plan that will assist in facilitating the brand shift and messaging. Digital, social and storytelling will be the primary focus of our new direction. All the while still producing visually appealing material to like-minded consumers that connect with preservation of the area and environmental stewardship. The ads and messaging will target eco-conscious high-yield consumers who are looking for genuine life-affirming experiences immersed in a pristine part of BC, exposed to nature, wildlife, outdoor adventure tours and culinary experiences.</p> <p>Tourism Ucluelet will also collaborate with the Ucluelet Chamber of Commerce to offer an Ambassador program that will provide training to front line staff sharing to tools to ensure that the new messaging of responsible consumer behaviour is being disseminated as visitors check in. In addition to this program, Tourism Ucluelet will be creating a stakeholder workshop series to help tourism businesses become more digitally savvy and develop additional marketing skills. This will be facilitated by the Ucluelet chamber of Commerce for Tourism Ucluelet.</p> <p>Additionally, the District to Ucluelet will be spearheading the development of a Tourism Master Plan which TU will be heavily participating in over 2021.</p> <p>Tourism Ucluelet will further work with organizations, the District of Ucluelet to ensure that similar messaging is sent to community members through newsletters offering insight to the new practices that the DMO, District and Chamber are aiming to achieve.</p>
<b>Target Markets</b>	<p>Traditionally, Tourism Ucluelet has marketed within and to limited regions outside of the province of BC trying to capture the rubber tire market. Considering the challenges that COVID-19 has created to capture these outside markets, Tourism Ucluelet will continue to be adaptive and abide by the Provincial health orders and limit our marketing to BC only. We will continue to do so until we have been given the permissions from the province to expand our marketing back into other markets.</p> <p>Ucluelet currently experiences a peak season between mid-May to mid October and non-peak season from late October to early May. On average visitors to the area stay longer than three nights. The marketing focus will be on the non-peak season (mid-October to the beginning of May) and extending the number of nights from three to four. The tactics will target the following visitors:</p> <p><u>Primary Geographic Target Markets</u></p> <ul style="list-style-type: none"> <li>• Rubber tire markets of the lower mainland, Vancouver Island, Pacific Northwest USA and Calgary/Edmonton</li> </ul> <p><u>Primary Visitor Demographic – shoulder and off season</u></p> <ul style="list-style-type: none"> <li>• Visitors who are eco-conscious and share the same values as the community</li> <li>• High yield consumers willing to travel to a remote area</li> <li>• Couples on weekend getaways – seeking relaxing retreat in nature</li> <li>• Active travellers, year-round – seeking extended stays and soft adventure</li> <li>• Young and active – prefer quality of experiences from accommodation, food to</li> </ul>

This requires Tourism Ucluelet to be innovative in its approach to providing the best possible service to our guests. In 2021, Tourism Ucluelet will take steps to offer more equitable opportunities for those visitors traveling to the west coast with disabilities. This will ensure that all visitors have barrier-free opportunities to experience what Ucluelet and the West Coast have to offer.

Ucluelet is fortunate to have multiple locations through out town that could warrant a more sophisticated mobile building, trailer or vehicle to provide, roaming services not only by the Amphitrite lighthouse, but also by the Aquarium and at events.
