**Subject:** Zoning Bylaw Amendment RZ24-14 -560 Marine Drive

**[External]**

Dear Ucluelet Council,

My name is Annie Tsay and I reside at [REDACTED] and am building on 1714 Rainforest Lane. I am writing in regards to the proposed zoning bylaw amendment RZ24-14-560 Marine Drive. The proposed development is too large and dense in my opinion. We already have Black Rock resort at Big Beach that has a full restaurant and lounge. Having another pub and hotel in the area is not needed and will greatly increase the traffic in an already popular area. I encourage the council to keep the current zoning bylaw for the area.

Thank you for considering my input.

Sincerely,

Annie Tsay
