Subject: Zoning Bylaw Amendment RZ26-02 -Weyerhaeuser Home Occupation

[External]

Dear Ucluelet Mayor and Council,

I fully support the addition of Home Occupation as a secondary use to CD-5C and CD-5E zones. When I was looking at lots to purchase last year, I was looking specifically for lots that allowed Home Occupation as a secondary use. While I did find a lot on Rainforest Lane, I believe it would be beneficial to future home owners to be allowed a Home Occupation in these zones.

Thank you for considering my input.

Sincerely,

Annie Tsay
