Subject: Big Beach zoning.

[External]

This is an email of support for the Big Beach Pub and housing units.

I believe this would be beneficial as the Black Rock is. It's great to have the resorts in a similar location.

I for one can't wait to have a drink watching the sunset there.

I have been in and out of town for 30 years. But have a house here for the last 15. Ucluelet has become the dream killer community. It's isolated location allows for N.I.M.B.Y attitudes. Even though we are an international destination. Let's be thoughtful in our placement of zoning projects. But keep the dream alive.

Best Regards,

Jason Hayes-Holgate
