Hello,

My name is Kenner Ames and I am the owner of the property at [REDACTED] in Ucluelet.

For the record I am opposed to the zoning amendment bylaw No. 1394, 2026. We do not need any more tourist accommodations in Ucluelet.

The current ones are not filled to capacity. As well, the more natural beauty that is destroyed for housing will make Ucluelet less attractive for visitors who come for that exact reason.

Please take my opinion into account when reviewing this proposal.

Kind Regards, Kenner Ames
